## WORK EXPERIENCE

### *Freelance Web Developer (Darellina.com)*

**New York, NY**

*June 2022 – August 2022*

- Familiar with Liquid, the open source language template created by Shopify and with navigating pre-existing template code to make changes at client request.
- Provided ongoing guidance & governance to project.
- Utilized and referred to JavaScript and Liquid documentation, in an effort to guarantee functionality and optimization without jeopardizing client design.

### *Queer Global Front End Developer Volunteer*

**New York, NY**

*November 2022 – Present*

- Organized and managed time flawlessly in order to meet deadlines given by team.
- Read pre-written JavaScript, TypeScript and Material UI and build React components that look exactly like the pieces put together by the UI team.
- Met every other Tuesday to discuss updates, changes to UI, challenges (personal or business) with the intention to open up if necessary and reach out for help.
- Brewed hundreds of delicious cups of coffee.

## Projects

### *React/JavaScript/Typescript/Redux/Material UI*

- Structured UI using React, Redux and Material UI.
- Very familiar with React component documentation and constantly checking API to ensure flawless integration into multiple projects.
- Planned, designed, developed, and tested user interfaces and user experience components for all products, platforms, solutions, and tools.
- Fluent in React, as well as CSS3 and HTML5 and UI/UX principles.  
100+ components, 2,000 lines of code using good coding practices such as using functional hooks and components as opposed to classes. Organized files related to the same component in one folder, followed naming conventions, used object destructuring for props, avoided repetitive code and overall wrote clean and organized code.
- Thoroughly scoping out potential bugs by navigating the DOM, inspecting the console and adding console messages where necessary.
- Created, designed, deployed, and supported applications, programs, and software using UI/UX fundamentals.

## LEADERSHIP/TEAMWORK EXPERIENCE

### *Impact Coaching Network*

**New York, NY**

#### *Elementary School Chess Teacher*

*September 2021 – Present*

- Partnered with 100+ teachers and coaches in various schools to ensure nothing less than success when working towards the biggest project of all, educating youth.
- Spearheaded events for weekly meetups regarding chess gameplay, tactics, homework and presented statistics regarding student improvements or impairments to make changes where possible.
- Regularly consulted with teachers/faculty to address and attend to any and all concerns.

### *Best Buddies Pittsburgh*

**Pittsburgh, PA**

#### *Volunteer Council*

*September 2019 – December 2019*

- Coordinated events with team leaders to ensure proper transportation and food distribution.
- Partnered with a buddy (individual with down syndrome) at various events and spontaneous activities to ensure inclusion and a life-long friendship.
